Thank you for supporting the Museum! Your generosity helps us provide educational programming to hundreds of students each year, create new exhibitions and host thousands of visitors each year.

The Honour Wall

The Hangar Flight Museum is launching a new initiative: The Honour Wall. This initiative allows you to show your support of the Museum while honouring a friend, family member or even yourself! Each acrylic plague can contain up to four lines of text consisting of 25 characters and one image or crest. The completed plaques will be installed on the mezzanine.

Members, volunteers and supporters can purchase a plague for \$250.00. A portion of the price will go toward the manufacture and installation of the plaque with the remaining funds going toward supporting Museum operations. The price of the plaque, less the manufacture cost, is eligible for a tax receipt. You can purchase one or multiple plaques. Corporate plaques are available.

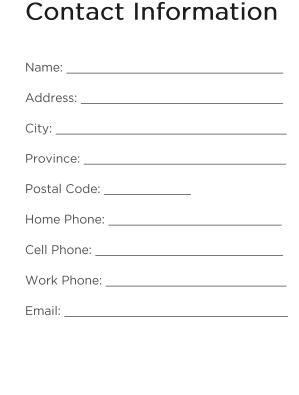

Directions Engraving

Enter your personalized message.

This may not exceed 4 lines, 25 characters, including spaces, per line, per plaque.
