WRITTEN STATEMENT

Tell us more about what type of experience you are looking for:

Does this experience need to occur during a particular month? Tell us more about your timing needs.

This is your opportunity to tell us why affordability is a barrier for your class or program and why you need access to free educational programming from the sponsor, Canadian Legacy Fund (500 words minimum).

[You can also include letters of support, however, those are optional pieces of support in your application. This sponsored support is intended to provide access to groups that wouldn't be able to participate without this support. If there are any metrics you can include that support your request, please include these as well. Schools may apply for programming for more than one class. Funding support to cover busing is not currently available, however, we can travel out to your school with the Prepare for Takeoff Program.]

Fill in your statement in the box on the next page.

ENTER WRITTEN STATEMENT INTO THIS BOX

Is there anything else you would like us to know about?

TERMS AND CONDITIONS:

Only fully completed applications will be considered.

As part of applying you agree to submitting follow-up surveys after completion of the programming and writing a thank-you to the program sponsor Canadian Legacy Project (addressed to The Hangar Flight Museum and we will send them along in periodic reporting).

Requested time periods may not be available. we will work with you to attempt to find alternative availability whenever possible. Please apply as far ahead of time as you are able to.

While we have many prepared programs that we have listed on this application form (more information about each program is available online at www.thehangarmuseum.ca) we will also accept applications for new program ideas from time to time. Please feel free to put in your request and we can have further conversation around how we can best support you and your group's needs.

Not attending your scheduled program, or not completing the follow-up surveys or thank-you letter will affect future applications.

These subsidized programming opportunities are available to youth 17 year of age or under. By applying, you are acknowledging that your group fits within this range.
